FOLLOWING:

C.N.RAMACHANDRAN NAIR, J.

R.P. No. 689 of 2007

Dated, this the 31st day of July, 2007

O R D E R

The writ petition No.2506/07 was filed for a direction to the University to permit the petitioners to write the 3rd year examination without passing the 2nd year examination. This Court permitted them to write the 3rd year examination because petitioners had applied for revaluation of the answer books of the 2nd year examination. The writ petition was disposed of with direction to the University to publish the result of the 3rd year examination of those petitioners who passed the 2nd year examination on revaluation. However, even though petitioners have failed in the revaluation, they have passed the 2nd year examination in supplementary examination. In similar situation, this Court vide Annexure II judgment, directed the University to publish the 3rd year Examination result. In the circumstances and in view of Annexure II judgment, I allow the review petition by directing the University to publish the 3rd year examination results of such of the petitioners who have at least passed the 2nd year examination in supplementary examination.
